OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 28 December 1971

25X1A	(Confidential - JMM) called to say they were unhappy over Senator Proxmire's request for Defense contributions to a study on the Chinese economy and wondered what we were doing about it. I explained we were cooperating with the Joint Economic Committee in this project, as we had in similar projects in the past on both China and the USSR and we saw no way of dodging it.
